### Administration

- I am planning to publish these reports on a monthly basis to recap the previous month's
  activities, versus previously publishing them for every meeting. Eventually, with the
  incorporation of our strategic plan, I hope to incorporate performance measurers from that as
  well.
- The Youth Activities Grant will be advertised in the upcoming Nov./Dec. newsletter, we have already received two applications so far. The deadline to apply is at the end of December. Applications are available at City Hall and on the City's website.
- The City is partnering with the County EDC to host a Business Networking Event at Stonefish Restaurant in November, more information to come.
- The City is hosting an Economic Development tour of New Carrollton on Wednesday October 1<sup>st</sup>, together with the County's economic development team, we will be touring the 450 corridor and viewing several successful development areas in Washington D.C.
- The City's Dog Park Committee will hold its first meeting in early October, it's not too late to join. If interested please call City Hall
- The City's Veteran's Committee would like to remind residents that they are creating a list of Veteran's who live in the community, please call City Hall for more details
- The Administration is working on our application for the Community Development Block Grant, we will be requesting funding for the City's Economic Development efforts.
- The City has begun its strategic planning efforts in the City's first-ever strategic plan. The plan will set the vision and direction the City will be heading over the next 3-5 years. We hope to

gather input from employees by holding multiple focus groups, the Mayor and Council from their retreat, and the public through our citizen survey results and other outreach efforts.

### **Finance and Accounting**

- The auditors have finished reviewing the City's FY 2014 financials and will begin compiling their report for publication in December.

- Our Director of Finance and Accounting, Mr. Skaria Abraham, is retiring after 17 years of service
  to the City. We are eternally grateful for is integrity and professionalism, and we wish him well
  in his future endeavors. The City will be advertising for this position immediately, as the FY
